ACKNOWLEDGEMENT

The internship opportunity I had with **Cognizant Technology Solutions** was a great chance for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me though this internship period.

Bearing in mind previous I am using this opportunity to express my deepest gratitude and special thanks to the **Ms. Shilpa Mahajani** at CTS, Pune who in spite of being extraordinarily busy with her duties, took time out to hear, guide and keep me on the correct path and allowing me to carry out my project at their esteemed organization and extending during the training.

The satisfaction and euphoria that accompanies the successful completion of any task would be incomplete without the mention of the people who made it possible. If there is a Driving force that kept use going on in doing this project, it is the constant support of my internal guide **Dr. P.S. Patheja** I present my sincere and heartiest thanks to his, for giving me a patient hearing and clearing my doubts.

I would like to express my profound thanks to **Dr. S Raju (Dean of SCSE)** for their Support and encouragement towards me at every stage in successful completion of my project and my Degree.
